

PRIORITY CLEANING

HIGHLIGHT

This is not a complete house cleaning

Requests for tech to finish the room they are in when time runs out is charged at \$55 per labor hour billed in 1 hour increments. Each tech is considered 1 laborer per hour.

Additional time requests must be approved by our office

We try to limit to 4 hours max per tech
Techs are allowed to accept tips for a job well done, but a tip is not required

The clean will include the following services:

A Priority Area Cleaning is a timed cleaning that focuses on the specific tasks or rooms you want cleaned.

These are sold by a set number of hours.

During this priority cleaning, client will provide a list of their priorities for our cleaning techs to focus their time and attention on. Our cleaning techs will get as much done from your list as possible in the time allowed.

Client agrees that they are waiving our satisfaction guarantee due to time constraints.

*Priority cleans do not include the inside of the refrigerator, oven or blinds. There is an additional fee for these items.
